SMARTCHAIR XT

Retailers face the challenge of trying to meet every guest's needs for equipment to make shopping easier. Amigo recognizes you have limited space to store this equipment, which is a reason to consider the Amigo SmartChair XT. This chair's unique features can accommodate a variety of needs, including small children with disabilities and senior citizens. With the SmartChair XT, one chair serves the diverse needs of customers, saving you front-end space.

FEATURES

- Five-point harness with retractable seat belt
- Harness can be stored behind seat
- Tilted padded seat provides maximum comfort and support for muscle weakness
- 3 baskets offer flexible option to store produce/groceries
- Sturdy 450 lb (204 kg) weight capacity
- Automatic locking brake on handle
- Flip-back arms for easy transfer
- Generous leg room for people of varying heights

Amigo Mobility is a family-owned business with a passion for exceptional customer service. Recognized as the industry originator, Al Thieme built the first Amigo for a family member with multiple sclerosis in 1968. Since then, Amigo has continued to develop innovative products that improve the lives of people with disabilities worldwide.
